REMINDERS!

Have you joined **PTSA**? It’s not too late for parents and students to join. Please remind your students that there are scholarship opportunities through PTSA! [Click here for information on how you can join.](#)

The area of the east side of the school and directly in front of the school is a bus lane and cross walk. **Please do not drop students off in those locations from 8:00—9:15 a.m. and from 3:00—4:15 p.m.** Thank you for helping keep our students safe!!

If you bring books, notebooks, lunch, etc. to your student during the school day, please put their name on it and drop it off in the front office. If you want to see your student to give the items to them, please go to the front desk and show your ID. Friends cannot drop-off food for students. Thanks for your cooperation!

So that we are limiting interruption of instructional time, if you know your student is going to leave during the school day, please send a note with them to school. They can pick up their permit to leave in the attendance office before school starts, give it to their teacher at the appropriate time, and sign themselves out. You will not need to come in and sign them out.

If your student calls, or texts, you to say they are sick, please ask them to go to the clinic and have our nurse assess them. Once she has, she will contact you to pick them up. It is important that our nurse knows what is going on around the campus!

Items left in lost & found will be donated to a non-profit organization on Friday, March 2. If your student is looking for a lost item, have them check for it in the assistant principal’s office.

It’s not too late to purchase Tracks Yearbook!
