Final Spring Semester Grades

All grades for the 6th cycle and 2nd semester will be finalized today. You are highly encouraged to check the Home Access Center and verify that you are passing all classes. If you have any Incompletes “I” in the grade book for the 2nd semester and/ or failing grades (below 70) please make sure you are in contact with your counselor about options for continuous improvement, credit recovery and summer school.

For Seniors:
In order to receive credit for courses, Seniors must resolve Incompletes (“I”) through credit recovery or summer school by July 24, 2020. After July 24th any course that is awarded an “I” as a final grade will be labeled as an “F” on the senior’s final transcript.

For all other high school grades (9th-11th):
Underclassmen final grades will be submitted on May 29th @12:00p
In order to receive credit for courses underclassmen must resolve Incompletes (“I”) prior to May 29, 2020. High School students may register for summer school in order to resolve any “I’s” still remaining after May 29.
